

Prayer for Manifesting Success, Change and Abundance

Dear God/Spirit/Universe, I call in my angels, guides, loved ones who have passed on and all those in my soul society, only those of the highest vibration, to be with me now.

I call in Archangel Hope to infuse me with your optimistic energy, and help give birth to new ideas, heighten creativity and enhance motivation create success change and abundance in my life. Archangel Haniel, I ask you to not only keep me centered no matter what happens around me, but to also assist me in creating positive new beginnings in my life and align me with luck and positive change. I also call in Goddess Kali – the goddess of endings and new beginnings – to help me let go of the past and leave all the negative energy from it behind as I embark on a new beginning now.

I call in Archangel Jophiel to help me shift from a negative to a positive mindset and hold more positive thoughts moving forward, and Archangel Metatron to help me adjust to the energetic shifts happening in the world and in my life.

Archangel Ariel, please help me manifest more prosperity and abundance, and Goddess Lakshmi, Hindu goddess of prosperity, wealth and fortune, help me in this area as well. Saint Expedite, I know you offer quick results to increase income and finances, and I ask for this help now.

I also call in the spirits of the great masters of manifestation to help me manifest success, positive change and abundance – and send me to all the people, books and more that can help me keep this going, especially Napoleon Hill, author of Think and Grow Rich, Neville Goddard who taught on the law of attraction and conscious creation, and W. Clemet Stone, who was a brilliant and successful businessman who taught on all aspects of the law of attraction and manifestation. And Wayne Dyer, I call you in as well to help me create what I desire now.

Lastly, I call in Ganesha, the Hindu God of removing obstacles, to please remove any and all obstacles, known or unknown, that may be preventing me from moving forward toward success in all areas of my life, positive change and more abundance.

In gratitude for all you have done in the past, all you will do today, and all you will do in the future, thank you, thank you, thank you, Amen.
